

## Attachment C – 09/17/20

**TO:** Library Board  
**FROM:** David Ruff, Director  
**RE:** Paving Bids  
**DATE:** September 17, 2020

**Background:** The following bids were received to resurface approximately 6,600 square feet of asphalt in the Library's East Parking Lot and crackfill, stripe, and sealcoat all Library Parking Lots. Four companies were contacted, but only two chose to submit bids. The bids submitted are as follows:

<b>Rapco</b>	<b>\$26,010</b>
<b>RG Asphalt &amp; Concrete</b>	<b>\$19,471</b>

**Prior Experience:** Both bidders have successfully completed projects for the Library. RG Asphalt & Concrete has done so on more than five occasions.

**Recommendation:** Staff recommends **RG Asphalt & Concrete** for this work because they are the low bidder and have successfully completed a number of Library projects.
